PREAMBLE

The College of St Peter le Bailey before incorporation was known as St Peter’s Hall. This Hall was founded to commemorate the life and teaching of the Right Reverend Frances James Chavasse, Doctor in Divinity, Honorary Fellow of Corpus Christi College, Oxford, formerly Lord Bishop of Liverpool and sometime Principal of Wycliffe Hall and Rector of the parish of St Peter le Bailey in the said City, hereinafter called “the Founder”, and in order to fulfil his earnest wish and to further the charitable objects and purposes which he expressed.

By its Trust Deeds dated 23rd October, 1928 and 1st January, 1949, the primary objects and principles of St Peter’s Hall were defined as follows:-
(a) To maintain and promote education, religion and learning for and among students generally of whatever religious persuasion and especially to give aid to students in straitened or reduced circumstances who shall be deemed worthy thereof by way of Bursaries, Scholarships, Exhibitions or by such other means as in the opinion of and at the absolute discretion of the Council may be most conducive to the advancement of such students and the attainment of these objects.

(b) To train, cherish and encourage candidates for Holy Orders in the Church of England or any students or other persons intending to labour for Foreign Missions with which the Ministry of the late Bishop James Hannington was particularly identified.

(c) To diffuse sound information and teaching of and in Christian principles and doctrine in conformity with Holy Scripture and particularly the Protestant and reformed teaching of the Church of England as set forth in the Book of Common Prayer annexed to the Act of Uniformity of 1662 and the 39 Articles of Religion and Ordinal as now ordinarily bound up with such Book and so that the teaching of the Hall and the conduct of the services in the Chapel thereof shall be in all respects in accordance with such principles.

(d) Generally to do all other incidental things which may be conducive to the furtherance and elucidation of such objects and principles.

From 1929 to 1947 St Peter’s Hall was licensed by the Vice-Chancellor of Oxford University as a permanent Private Hall. On 29th October, 1947, it was admitted by decree of Convocation to all the privileges pertaining to the status of a New Foundation. On 7th February, 1961, the University made a Statute (which was approved by Her Majesty in Council on 26th May, 1961) granting the status of full college in the University of Oxford to St Peter’s College.

Annulling of Ordinances and Regulations

6. It shall be lawful for the Visitor, either of his own motion or on the complaint of the Master or any three or more of the Fellows, to disallow or to annul any By-law or Regulation made by, or resolution of, the Governing Body which is, in his judgement, repugnant to any of the Statutes of the College in force for the time being.

PART I: CONSTRUCTION APPLICATION AND INTERPRETATION

1. This Statute and any By-law made under this Statute shall be construed in every case to give effect to the following guiding principles, that is to say:

   (a) to ensure that members of the academic staff of the College have freedom within the law to question and test received wisdom, and to put forward new ideas and controversial or unpopular opinions, without placing themselves in jeopardy of losing their jobs or privileges;

   (b) to enable the College to provide education, to promote learning, and to engage in research efficiently and economically; and

   (c) to apply the principles of justice and fairness.

2. No provision in Part II, Part III, Part IV or Part VII of this Statute shall enable any member of the academic staff to be dismissed unless the reason for the dismissal may in the circumstances (including the size and administrative resources of the College) reasonably be treated as a sufficient reason for dismissal.
3. **(a)** This Statute shall apply

(i) to any person holding a College Office designated by the Governing Body as one to which this Statute applies;

(ii) to any person employed by the College to carry out teaching or research save for those holding appointments which have been excluded by the Governing Body from the scope of this Statute on the ground that the duties in that regard are only of a limited nature; and

(iii) to the Master, to the extent and in the manner set out in Part VII of this Statute.

**(b)** In this Statute any reference to “a member of the academic staff” is a reference to a person to whom this Statute applies.

**Interpretation**

**Meaning of “Dismissal”**

4. In this Statute “dismiss” and “dismissal” mean dismissal of a member of the academic staff and

**Meaning of “Good Cause”**

5. For the purposes of this Statute "good cause" in relation to the dismissal or removal from office or place of a member of the academic staff, being in any case a reason which is related to conduct or to capability or qualifications for performing work of the kind which the member of the academic staff concerned was appointed or employed to do, means –

**(i)** conviction for an offence which may be deemed by a Disciplinary Committee appointed under Part III of this Statute to be such as to render the person convicted unfit for the performance of the duties of the office or employment as a member of the academic staff; or

**(ii)** conduct of an immoral, scandalous or disgraceful nature incompatible with the duties of the office or employment; or

**(iii)** conduct constituting failure or persistent refusal or neglect or inability to perform the duties or comply with the conditions of office or employment; or

(ii) qualifications, in relation to such a member, means any degree, diploma or other academic, technical or professional qualification relevant to the office or position held by that member.

Meaning of "Redundancy"

6. For the purposes of this Statute dismissal shall be taken to be a dismissal by reason of redundancy if it is attributable wholly or mainly to:-

(a) the fact that the College has ceased, or intends to cease, to carry on the activity for the purposes of which the person concerned was appointed or employed or has ceased, or intends to cease, to carry on that activity in the place in which the person concerned worked; or

(b) the fact that the requirements of that activity for members of the academic staff of the College to carry out work of a particular kind in that place have ceased or diminished or are expected to cease or diminish.

(b) Nothing in any appointment made, or contract entered into, shall be construed as overriding or excluding any provision made by this Statute concerning the dismissal of a member of the academic staff of the College by reason of redundancy or for good cause; provided that this shall not invalidate any waiver made under section 142 of the Employment Protection (Consolidation) Act 1978.
(c) Nothing in any other Statute of the College shall enable the Governing Body to delegate its power to reach a decision under Clause 10(b) of this Statute.

(d) For the avoidance of doubt it is hereby declared that nothing in Part III of this Statute shall be construed as affecting the Statutes and By-laws of the College concerning re-election on the expiry of a fixed term of a Fellowship.

(e) In any case where an officer of the College or any person is designated to perform any duties or exercise any powers under this Statute, and that officer or person is himself involved in the matter in question, the Governing Body may appoint an alternate to act in his place under procedures prescribed by By-laws made under this Statute.

(f) No one shall sit as a member of any of the bodies established under this Statute and no one shall be present at a meeting of such body when the body is considering its decision or discussing a point of procedure, except as provided by this Statute or by By-laws made under this Statute.

(i) of the College as a whole; or

(ii) of any area of academic work within the College

by way of redundancy.

11. (a) Where the Governing Body has reached a decision under Clause 10(b) of this Statute

(i) it may itself decide to select the requisite members of the academic staff for dismissal by reason of redundancy if such a course satisfies the guiding principles set out in Clause 1; or

(ii) it shall appoint a Redundancy Committee to be constituted in accordance with paragraph (c) of this Clause to give effect to its decision by such date as it may specify and for that purpose

(1) to select and recommend the requisite members of the academic staff for dismissal by reason of redundancy; and

(b) Each member of the academic staff selected shall be given separate notice of the selection approved by the Governing Body.
(c) Each separate notice shall sufficiently identify the circumstances which have satisfied the Governing Body that the intended dismissal is reasonable and in particular shall include

(i) a summary of the action taken by the Governing Body under this Part of this Statute;

(ii) an account of the selection processes it has used;

(iii) a reference to the rights of the person notified to appeal against the notice and to the time within which any such appeal is to be lodged under Part V of this Statute; and

PART III: DISCIPLINE, DISMISSAL AND REMOVAL FROM OFFICE

Disciplinary Procedures

13. (a) Minor faults shall be dealt with informally.

(b) Where the matter is more serious but falls short of constituting possible good cause for dismissal the following procedure shall be used:-

Stage 1 - Oral Warning

If conduct or performance does not meet acceptable standards the member of the academic staff will normally be given a formal oral warning by the Master. The member will be advised of the reason for the warning, that it is the first stage of the disciplinary procedure and of the right of appeal under this Clause. A brief note of the oral warning will be kept but it will be spent after 12 months, subject to satisfactory conduct and performance.

Stage 2 - Written Warning

If the offence is a serious one, or if a further offence occurs, a written warning will be given to the member of the academic staff by the Master. This will give details of the complaint, the improvement required and the timescale. It will warn that charges may be instituted to be heard by a Disciplinary Committee appointed under Clause 15 of this Statute if there is no satisfactory improvement and will advise of the right of appeal under this Clause. A copy of this written warning will be kept by the Master but it will be disregarded for disciplinary purposes after 2 years subject to satisfactory conduct and performance.

Stage 3 - Appeals

A member of the academic staff who wishes to appeal against a disciplinary warning shall inform the Master within two weeks. An Appeal Committee appointed by the Governing Body shall hear the appeal and the Committee’s decision shall be final.
14. (a) If there has been no satisfactory improvement following a written warning given under Stage 2 of the procedure laid down in Clause 13 (b), or in any case where it is alleged that conduct or performance may constitute good cause for dismissal or removal from office, a complaint seeking the institution of charges to be heard by a Disciplinary Committee appointed under Clause 15 may be made to the Master.

(b) To enable the Master to deal fairly with any complaint brought to his attention under paragraph (a) he shall institute such enquiries (if any) as appear to him to be necessary.

(c) If it appears to the Master (whether on receipt of a complaint or otherwise) that there are grounds for believing that the conduct or performance of a member of the academic staff could constitute good cause for dismissal, he shall write to the person concerned inviting comment in writing and if he considers that the College might otherwise suffer significant harm may, at this stage or at any stage prior to the conclusion of any hearing by a Disciplinary Committee appointed under Clause 15 of this Statute, suspend the person concerned from the performance of his duties without loss of emoluments.

(d) As soon as may be following the comments (if any) or in any event not later than 28 days after they were invited the Master shall consider the matter in the light of all the available material and may dismiss the matter summarily, or issue an oral or written warning to the person charged, or determine that the matter be considered by a Disciplinary Committee appointed under Clause 15.

15. If the Master has determined that the matter is to be considered by a Disciplinary Committee, he shall request the Governing Body to appoint such a Committee to hear the charge or charges and to determine whether the conduct or performance of the person charged constitutes good cause for dismissal or otherwise constitutes a serious complaint relating to his appointment or employment, and, if so, to make recommendations concerning the action (if any) to be taken as a result of the Committee's findings. Pending the consideration of such recommendations, the Master, after consulting the Governing Body, may suspend the person charged from the performance of his duties without loss of emoluments.

16. (a) A Disciplinary Committee appointed by the Governing Body shall comprise

a Chairman; and

one Fellow who is not a member of the academic staff; and

one other Fellow who may be a member of the academic staff.

(b) In selecting members of the panel for appointment as members of a Disciplinary Committee, the Governing Body shall exclude the person charged, and any person who has been involved in or associated with the making of the complaint or any part of it, or who has been involved in any preliminary hearing or investigation.
17. (a) When a Disciplinary Committee has been appointed, the Governing Body shall instruct a solicitor or other suitable person to formulate the charge or charges and to present, or arrange for the presentation of, the charges before the Disciplinary Committee.

(b) It shall be the duty of the person formulating the charge or charges

(i) to forward the charge or charges to the Committee and to the member of the academic staff concerned, together with the other documents therein specified and a list of all witnesses the College proposes to call, with statements containing the evidence they are expected to give; and

(ii) to make any necessary administrative arrangements for the summoning of witnesses, the production of documents and generally for the proper presentation of the case before the Committee.

18. The procedure to be followed in respect of the preparation, hearing, and determination of charges by a Disciplinary Committee shall be prescribed by By-laws made under this Statute. Such By-laws shall ensure

(a) that the person charged is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing by a Disciplinary Committee;

(b) that a charge shall not be determined without an oral hearing at which the person charged and any person appointed to represent him are entitled to be present;

(c) that witnesses may be called, both on behalf of the person charged and by the person presenting the charge, and may be questioned concerning any relevant evidence;

(d) that no new witness or documentary evidence may be introduced by the person presenting the charge without the Committee's consent, which shall not be given save for good reason, and that if late introduction is allowed, the member of the academic staff shall be allowed an adjournment sufficient to allow him to consider and respond to the new evidence; and

(e) such further or other action under the contract of employment or terms of appointment of the person concerned as appears fair and reasonable in the circumstances of the case; or

(f) that any charge is heard and determined as expeditiously as is reasonably practicable.

Notification of Disciplinary Committee Decisions

19. (a) The Disciplinary Committee shall send its decision on any charge referred to it (together with its findings of fact and the reasons for its decision regarding that charge and its recommendations, if any, as to the appropriate penalty) to the Master, the person charged, the person presenting the charge and any person who shall have been added as a party by the Disciplinary Committee.
(b) A Disciplinary Committee shall draw attention to the period of time within which any appeal should be made by ensuring that a copy of Part V (Appeals) accompanies each copy of its decision sent to a party to the proceedings under this Clause.

Powers of the Appropriate Officer where Charges are upheld by the Disciplinary Committee

20. (a) Where any charge is upheld and the Disciplinary Committee finds good cause and recommends dismissal or removal from office, but in no other case, the Master shall consult the Governing Body and shall decide whether or not to dismiss the person concerned. If he decides to accept the Disciplinary Committee's recommendations he may forthwith dismiss that person.

(b) Where any charge or charges are upheld, other than where the Master has decided under paragraph (a) of this Clause to dismiss the person concerned, the action available to the Master after consulting the Governing Body (not comprising a greater penalty than that recommended by the Disciplinary Committee) shall be -

(i) to discuss the issues raised with the person concerned; or

(ii) to advise the person concerned about his future conduct; or

(iii) to warn the person concerned; or

(iv) to suspend the person concerned for such period as the Master shall think fair and reasonable, not to exceed three months after the date on which the Governing Body shall have considered the Disciplinary Committee’s decision, provided that no suspension without pay may be ordered unless the terms of the contract of employment of the person concerned contain provisions expressly entitling the Master to impose such a penalty; or

(v) such further or other action under the contract of employment or terms of appointment of the person concerned as appears fair and reasonable in all the circumstances of the case; or

(vi) any combination of any of the above.

Appropriate Officers

21. (a) The Master shall be the appropriate officer to exercise the powers conferred by Clause 20 of this Statute but he may appoint a delegate to exercise those powers.

(b) Any action taken by the Master or his delegate shall be confirmed in writing and notified to the Governing Body.

PART IV: REMOVAL FOR INCAPACITY ON MEDICAL GROUNDS

22. (a) This Part makes separate provision for the assessment of incapacity on medical grounds as a good cause for dismissal or removal from office.
In this Part references to medical grounds are references to capability assessed by reference to health or any other physical or mental quality.

In this Part references to the appropriate officer are references to the Master or an officer acting as his delegate to perform the relevant act.

In this Part references to the member of the academic staff for the purposes of notification, giving consent, agreement, nomination or providing evidence include, in cases where the nature of the alleged disability so requires, a responsible relative or friend or other person with authority to act on behalf of that member in addition to (or instead of) that member.

23. (a) where it appears to the Master that the removal of a member of the academic staff on medical grounds should be considered, the Master:-

(i) shall inform the member accordingly;

(ii) may, if the member agrees or if the Master considers that the College might otherwise suffer significant harm, suspend the member from duty without loss of emoluments; and

(iii) shall notify the member in writing that it is proposed to make an application to the member's medical practitioner for a medical report and shall seek the member's consent in writing in accordance with the requirements of the Access to Medical Reports Act 1988.

(b) If the member elects to apply for early retirement on medical grounds he shall be allowed to do so and the College shall meet the reasonable costs of any medical opinion required.

(c) If the member does not elect to retire voluntarily on medical grounds the Master may refer the case in confidence, with any medical and other evidence (including any such evidence submitted by the member), to a Medical Board comprising one person nominated by the Governing Body; one person nominated by the member concerned or, in default of the latter nomination, by the Master; and a medically qualified chairman jointly agreed by the Governing Body and the member or, in default of agreement, to be nominated by the President of the Royal College of Physicians.

(d) The Board may require the member concerned to undergo medical examination at the College's expense.

(e) The procedure to be followed in respect of the preparation, hearing, and determination of a case by a Medical Board under this Part shall be prescribed by By-laws made under this paragraph. Such By-laws shall ensure:

(i) that the member concerned is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing by the Board;
(ii) that a case shall not be determined without an oral hearing at which the person charged and any person appointed to represent him are entitled to be present;

(iii) that witnesses may be called and may be questioned concerning any relevant evidence; and

(iv) that the case is heard and determined as expeditiously as is reasonably practicable.

24. (a) If the Board determines that the member should be required to retire on medical grounds, the Master shall consult the Governing Body, and may terminate the employment of the member concerned on those medical grounds.

(b) Any action taken by the Master shall be confirmed in writing and notified to the Governing Body.

**PART V: APPEALS**

**Purpose of Part V**

25. This Part establishes procedures for hearing and determining appeals by members of the academic staff who are dismissed or under notice of dismissal or who are otherwise disciplined.

**Application and Interpretation of Part V**

26. (a) This Part applies -

(i) to appeals against the decisions of the Governing Body to dismiss in the exercise of its powers under Part II of this Statute;

(ii) to appeals arising in any proceedings, or out of any decision reached, under Part III of this Statute other than appeals against disciplinary warnings under Clause 13 of this Statute;

(iii) to appeals against any dismissal otherwise than in pursuance of Part II, Part III, Part IV or Part VII of this Statute;

(iv) to appeals against any disciplinary decision otherwise than in pursuance of Part III of this Statute;

(v) to appeals against any decision reached under Part IV of this Statute; and

(vi) to appeals against any decision reached under Part VII of this Statute.

and “appeal” and “appellant” shall be construed accordingly.

(b) No appeal shall however lie against:-

(i) a decision of the appropriate body under Clause 10(b) of this Statute;
(ii) any finding of fact of a Disciplinary Committee under Part III, or of a Tribunal under Part VII of this Statute save on legal grounds or save where, with the consent of the person or persons hearing the appeal, fresh evidence is called on behalf of the appellant at that hearing;

(iii) any medical findings by a Board set up under Part IV Clause 23(c) of this Statute save on legal grounds or save where, with the consent of the person or persons appointed, fresh evidence is called on behalf of the appellant at that hearing.

(c) In this Part references to “the person appointed” are references to the person appointed by the Governing Body under Clause 29 to hear and determine the relevant appeal.

(d) The parties to an appeal shall be the appellant and the Master and any other person added as a party at the direction of the person appointed.

Institution of Appeals

27. A member of the academic staff shall institute an appeal by serving on the Master, within the time allowed under Clause 28 of this Statute, notice in writing setting out the grounds of the appeal.

Time for Appealing and Notices of Appeal

28. (a) A notice of appeal shall be served within 28 days of the date on which the document recording the decision appealed from was sent to the appellant or such longer period, if any, as the person appointed may determine under paragraph (c) of this Clause.

(b) The Master shall bring any notice of appeal received (and the date when it was served) to the attention of the Governing Body and shall inform the appellant that he has done so.

(c) Where the notice of appeal is served on the Master outside the 28 day period the person appointed under Clause 29 of this Statute shall not permit the appeal to proceed unless he considers that justice and fairness so require in the circumstances of the case.

Persons Appointed to Hear and Determine Appeals

29. (a) Where an appeal is instituted under this Part the Governing Body shall appoint a person described in paragraph (b) of this Clause to hear and determine that appeal subject to paragraph (c) of this Clause.

(b) The persons described in this Paragraph are:-

(i) the person who is Visitor; or

(ii) persons not employed by the College holding, or having held, judicial office or being barristers or solicitors of at least ten years’ standing.
The person appointed shall sit alone unless he considers that justice and fairness will best be served by sitting with two other persons.

The other persons who may sit with the person appointed, and who shall be appointed by the Governing Body, shall be

(i) one Fellow who is not a member of the academic staff; and

(ii) one other member chosen from amongst members of the Governing Body to whom this Statute applies.

Provisions concerning Appeal Procedures and Powers

30. (a) The procedure to be followed in respect of the preparation, consolidation, hearing and determination of appeals shall be that set out in By-laws made under this Clause.

(b) Without prejudice to the generality of the foregoing such By-laws shall ensure:

(i) that an appellant is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing of his appeal;

(ii) that an appeal shall not be determined without an oral hearing at which the appellant and any person appointed by him to represent him are entitled to be present and, with the consent of the person or persons hearing the appeal, to call witnesses;

(iii) that full and sufficient provision is made for postponements, adjournments, dismissal of the appeal for want of prosecution and for the correction of accidental errors; and

(iv) that the person appointed may set appropriate time limits for each stage (including the hearing itself) to the intent that any appeal shall be heard and determined as expeditiously as is reasonably practicable.

(c) The person or persons hearing the appeal may allow or dismiss an appeal in whole or in part and, without prejudice to the foregoing, may:

(i) remit an appeal from a decision under Part II of this Statute (or any issue arising in the course of such an appeal) to the Governing Body for further consideration as the person or persons hearing the appeal may direct; or

(ii) remit an appeal arising under Part III of this Statute for re-hearing or reconsideration by a differently constituted Disciplinary Committee to be appointed under that Part; or

(iii) remit an appeal from a decision under Part IV of this Statute for further consideration as the person or persons hearing the appeal may direct; or
(iv) remit an appeal by the Master arising under Part VII of this Statute for re-hearing or reconsideration by the same or a differently constituted Tribunal to be appointed under that Part; or

(v) substitute any lesser alternative penalty that would have been open to the Master following the finding by the Disciplinary Committee which heard and pronounced upon the original charge or charges.

Notification of Decisions

31. The person appointed shall send a reasoned decision, including any decision reached in exercise of his powers under Clause 30(c) (i), (ii), (iii), or (iv) of this Statute, on any appeal and a statement of any findings of fact different from those of the Governing Body under Part II of this Statute or by the Disciplinary Committee under Part III of this Statute or of the Board under Part IV of this Statute or of the Tribunal appointed under Part VII of this Statute, as the case may be, to the Master and to the parties to the appeal.

PART VI: GRIEVANCE PROCEDURES

Purpose of Part VI

32. The aim of this Part is to settle or redress individual grievances promptly, fairly and, so far as may be, within the relevant area by methods acceptable to all parties.

Application

33. The grievances to which this Part applies are ones by members of the academic staff concerning their appointments or employment where those grievances relate

(a) to matters affecting themselves as individuals; or

(b) to matters affecting their personal dealings or relationships with other staff of the College,

not being matters for which express provision is made elsewhere in this Statute.

Exclusions and Informal Procedures

34. (a) If other remedies within the relevant area have been exhausted the member of the academic staff may raise the matter with the Master.

(b) If it appears to the Master that the matter has been finally determined under Part III, IV or V of this Statute or that the grievance is trivial or invalid, he may dismiss it summarily, or take no action upon it. If it so appears to the Master he shall inform the member and may inform the Governing Body accordingly.
(c) If the Master is satisfied that the subject matter of the grievance could properly be considered with (or form the whole or any part of)

(i) a complaint under Part III of this Statute; or

(ii) a determination under Part IV of this Statute; or

(iii) an appeal under Part V of this Statute

he shall defer action upon it under this Part until the relevant complaint, determination or appeal has been heard or the time for instituting it has passed and he shall notify the member accordingly.

(d) If the Master does not reject the complaint under paragraph (b) of this Clause or if he does not defer action upon it under paragraph (c) of this Clause he shall decide whether it would be appropriate, having regard to the interests of justice and fairness, for him to seek to dispose of it informally. If he so decides he shall notify the member and proceed accordingly.

Grievance Committee Procedure

35. If the grievance has not been disposed of informally under Clause 34 (d) of this Statute, the Master shall refer the matter to a Grievance Committee for consideration.

36. A Grievance Committee shall comprise three Fellows of the College appointed by the Governing Body.

Procedure in Connection with Determinations and Right to Representation

37. The procedure in connection with the consideration and determination of grievances shall be determined in By-laws in such a way as to ensure that the aggrieved person and any person against whom the grievance lies shall have the right to be heard at a hearing and to be accompanied by a friend or representative.

Notification of Decisions

38. The Committee shall inform the Governing Body whether the grievance is or is not well-found and if it is well-found the Committee shall make such proposals for the redress of the grievance as it sees fit.

PART VII: REMOVAL OF THE MASTER FROM OFFICE

39. Any three members of the Governing Body may make complaint to the Vice-Master seeking the removal of the Master from office for good cause.

40. The Vice-Master shall refer such a complaint to the Governing Body, exclusive of the Master and the members making the complaint. If it appears to the Governing Body that the complaint does not raise a prima facie case or that it is trivial or invalid, it may determine that no further action shall be taken upon it.
41. If it appears to the Governing Body on the available material that the complaint raises a \textit{prima facie} case and that this could, if proved, constitute good cause for the removal of the Master from office, it shall appoint a Tribunal to hear and determine the matter.

42. (a) The Tribunal appointed by the Governing Body shall comprise

an independent Chairman; and

one Fellow to whom this Statute does not apply; and

one member chosen from amongst members of the Governing Body to whom this Statute applies.

(b) In selecting the members of the Tribunal the Governing Body shall exclude the Master and any person who has been involved in or associated with the making of the complaint or any part of it or who has been involved in any preliminary hearing or investigation.

43. A charge referred to the Tribunal shall be dealt with in accordance with the procedure prescribed in Clauses 17 to 19 of this Statute, provided:

(a) that the Vice-Master shall perform any duty and exercise any power there assigned to the Master; and

(b) that the only recommendation the Tribunal may make is whether or not the Master should be removed from his office.

44. Where a charge or charges have been upheld and the Tribunal finds good cause and recommends dismissal, but in no other case, the Vice-Master shall consult the Governing Body and may then dismiss the Master.

45. Where a complaint is to be referred to a Tribunal under Clause 41 of this Statute, the Vice-Master may, if he considers that the College might otherwise suffer significant harm, suspend the Master from his duties in all matters relating to the government and discipline of the College without loss of emoluments.

46. For the purpose of the removal of the Master from his office for incapacity on medical grounds, the provisions of Part IV of this Statute shall have effect, provided that the Vice-Master shall perform any duty or exercise any power there assigned to the Master.

47. For the purpose of appeals by the Master against removal from office, the provisions of Part V of this Statute shall have effect, provided that the Vice-Master shall perform any duty or exercise any power there assigned to the Master.
STATUTE XVI. PROVISIONS RELATIVE TO THE UNIVERSITY

General Powers of the Hebdomadal Council

1. If at any time it appears to the Hebdomadal Council of the University that any provision of these Statutes or of any other Statutes of the College in force for the time being respecting the accounts of the College, or any other provision of such Statutes by the non-observance of which any interest of the University is liable to be prejudicially affected, is not duly observed, the Hebdomadal Council may submit a representation to the Visitor; and the Visitor shall, upon receiving such representation, inquire into the matter and after considering any representation made by the College, make such order therein as he shall deem just for enforcing the due observance of the said Statutes in the matter to which the representation shall relate.

Special Powers of the Hebdomadal Council

2. The Hebdomadal Council may in like manner make a representation to the Visitor if it shall appear that regard is not had by the College in electing the Research Fellows to the requirements of the different branches of study pursued in the University, or that any of the provisions of Statute V of these Statutes are not duly observed by the College.

Notice to the Master

3. Before any representation is made under the foregoing provisions, the Vice-Chancellor shall communicate the matter of the proposed representation to the Master for the information of the Governing Body, and when a representation is made shall forthwith send him a copy of it.

Notice of Change of Statutes

4. Every proposal for a change in the Statutes of the College in force for the time being or in the Charter of the College shall be communicated to the Hebdomadal Council before it is submitted to Her Majesty in Council, and the Governing Body, in forwarding the draft Statute as amended for the approval of Her Majesty, shall state expressly that it has been so communicated.

Consent of University

5. No Statute made by the Governing Body and affecting the University shall be altered except with the consent of the University.

STATUTE XVII. SPECIAL PROVISIONS

Commencing Date

1. These Statutes shall come into force as from the day on which the Charter is granted.

Alteration of Statutes

2. These Statutes shall be subject to alteration in the manner provided by the Universities of Oxford and Cambridge Act, 1923, by the Governing Body at any College Meeting specially
summoned for the purpose, provided that not less than two-thirds of the members present vote in favour of the alteration; and provided that the consent of the Visitor and the Master shall be required to any alteration in Statute III, Statute IV Clauses 1, 2, 3, 4, 5, and 13, Statute V Clause 14, Statute IX and Statute XIV.
