

## **Additional requirements for new non-UK/Irish students**

If you are not a UK or Irish passport holder, we need to have a scan/photo of your passport and a copy of other information showing you have a valid visa or that you have pre-settled or settled status via the EU Settlement Scheme. This is because we are required by the UK Home Office to check that you have a visa/immigration status that allows you to study before you can be enrolled at Oxford.

If you are overseas and require a visa, you must have your visa approved before you travel to the UK. You cannot arrive as a visitor and switch to a student visa once here; in this situation we cannot enrol you on to your course and you would need to return home immediately.

**We will not be able to give you your University Card and complete your enrolment as a student of the University and the College until we have copies of all the required information.**

The details of what we need depend on your status, as set out below:

### **a. EU/EEA/Swiss nationals who have Pre-settled Status under the EU Settlement Scheme**

- 1 Upload a photo or scan of the ID page of your passport [using this form](#).
- 2 Generate a 'share code' here: <https://www.gov.uk/view-prove-immigration-status>
- 3 Send the 'share code' along with your date of birth to [college.office@spc.ox.ac.uk](mailto:college.office@spc.ox.ac.uk).

### **b. EU/EEA/Swiss nationals who have Settled Status under the EU Settlement Scheme**

- 1 Upload a photo or scan of the ID page of your passport [using this form](#).
- 2 Generate a 'share code' here: <https://www.gov.uk/view-prove-immigration-status>
- 3 Send the 'share code' along with your date of birth to [college.office@spc.ox.ac.uk](mailto:college.office@spc.ox.ac.uk). In the same email please also tell us the date that you were granted the Settled Status.

### **c. EU/EEA/Swiss nationals who applied for a Student Visa or those with a British National Overseas (BNO) Visa**

- 1 Upload a photo or scan of the ID page of your passport [using this form](#).
- 2 Generate a 'share code' here: <https://www.gov.uk/view-prove-immigration-status>

**d. Students who have extended a visa while in the UK within the last six months**

- 1 Upload a photo or scan of the ID page of your passport [using this form](#). If you have a physical BRP card (whether you do depends on whether you are categorised as a 'visa national') please also send photo/scans of both sides of the BRP.
- 2 Generate a 'share code' here: <https://www.gov.uk/view-prove-immigration-status>
- 3 Send the 'share code' along with your date of birth to [college.office@spc.ox.ac.uk](mailto:college.office@spc.ox.ac.uk).

**e. Dependents of those who hold Pre-settled or Settled Status via the EU Settlement Scheme**

Upload a photo or scan of the ID page of your passport AND of both sides of your physical BRP card [using this form](#).

**f. Other international students (non-EU/EEA/Swiss nationals)**

Upload a photo or scan of the ID page of your passport and of both sides of your physical BRP card [using this form](#).

If you do not yet have your BRP (as will be the case if you are not yet in the UK) then please do still send us the photo/scan of the ID page of your passport now. You will then need to send us the photo/scan of your BRP once you have collected it from the Post Office in Oxford, which you should plan to do within a few days of arriving in Oxford.
