During the first few days of Freshers' Week, the queues for the Dining Hall can be very long if everyone arrives at the same time. If there is a long queue, please consider returning a little bit later.

WHAT DO I WEAR?

The dress code for Monday's Freshers' Dinner with tutors is 'smart/suits'. So, not jeans and a t-shirt, not a ball gown, but something in between!

You do not need to wear a gown during Freshers' Dinner or during Freshers' week, but you will need to purchase your gown for Matriculation on Saturday 17 October.

THINGS TO DO THIS WEEK

- **Be sure** you know when you need to meet your tutors and when you need to attend your Department/Faculty induction events
- **Attend** all Department/Faculty Events as well as meetings with College tutors and Library inductions
- **Register** with the College Doctor (if you have not already done so)
- **Check** your email daily
- **Ask questions!** Remember, it's ok not to know all the answers. Staff are here to help you!
