

Your gift will help future generations excel

With your support, we will build affordable accommodation so we can attract talented students of all backgrounds.

And we will create a supportive environment where future generations of scholars can thrive.

Your gift could be worth much more

A generous donor has recognised the transformational potential of the Castle Hill House Project, and wishes to celebrate Mark Damazer's tenure as Master. They have gifted the College a maximum of **£5m to match all your donations** before the end of 2019.

How it works

If you studied here **during** Mark's time (from October 2010 to October 2019), **the donor will match your gift at a ratio of 3:1**. For all other gifts, the donor will match at a ratio of 2:1.

If you were here *during* Mark Damazer's tenure

You give	Donor gives	We receive	To thank you
£100	£300	£400	Your name in annual donor report
£1,000	£3,000	£4,000	Your name inscribed on donor wall
£12,500	£37,500	£50,000	Student room named after you

If you were here *before* Mark Damazer's tenure

You give	Donor gives	We receive	To thank you
£100	£200	£300	Your name in annual donor report
£1,000	£2,000	£3,000	Your name inscribed on donor wall
£12,500	£25,000	£37,500	Student room named after you

How we will thank you for your gift

We would be thrilled if you feel able to support us. We will thank you by name in our annual donor report and our College Record. If you can give £1,000 or more (excluding the match), your name will appear on the donor recognition wall in the new building. If you are able to give £12,500, we will name a student room after you.

Please make your gift by 31 December 2019 – it will be worth so much more to future generations of St Peter's students.
