Adjustments relating to covid-19

All facets of College life are potentially affected by the need to adjust routines and behaviours to minimise the spread of covid-19. Where this is necessary, information will be circulated to students by email and posted on the College website.

Registration and signing-in

Registration via Student Self-service

All students are required to register annually via the Student Self-Service web pages, on the anniversary of the term in which they started their course (normally Michaelmas term). This process requires the confirmation of personal details, enables students to check key information about their course and confirm their status for the coming academic year.

Online registration should be done before the start of term; you must have completed the process by the end of Week 1 of term.

It is vital that your details, including the details of your emergency contacts, are kept up-to-date, so that the College is able to contact you, and your next-of-kin (or equivalent) in the case of an emergency. It is your responsibility to update your personal and contact details if they change at any time during the year. For further details see www.ox.ac.uk/students/registration/.

Signing-in

It is a College requirement that all undergraduate and visiting students sign in/out at the Porters Lodge at the beginning and end of every term, regardless of whether they are living in College or private accommodation.

This is important because the University sets minimum residence requirements for most degrees and qualifications.

Failure to register fully, to notify changes, or to sign in/out may attract a decanal fine.

Rules, policies and regulations

All students should familiarise themselves with the College's *Student Regulations*, which are included as Annex E to this Handbook. Other key policies and documents for students can be found on the *Official Information* page of the College website, including the following:

- *Student Complaints Procedure*
- *Statement on Confidentiality*
- *Harassment Policy and Procedure*
- *Staff-Student Relationships Policy*
- *Academic Expectations and Discipline Procedure*
- *Non-Academic Discipline Procedure*
- *Guidance note on intermission and suspension of status*

The College intranet (follow the link on the College website) contains useful documents and forms, including many of those referred to in this Handbook.

Accommodation

Rooms available

College accommodation is offered to as many St Peter's students as possible. There are about 290 rooms, ranging from traditional 'sets' (study with adjoining bedroom) on the main College site, to newer *en-suite* rooms in nearby residential annexes and the Perrodo Building.

Accommodation is normally provided on the main site for:

- a) First year undergraduates;
- b) Some third year undergraduates (see 'Prioritisation of accommodation for undergraduate students' and 'Undergraduate accommodation ballot' below); and
- c) Students with significant medical needs or disabilities affecting their ability to 'live out' (see 'Prioritisation of accommodation for undergraduate students' below).

The Lau Building, and the St Thomas Street and Paradise Street annexes are reserved for Visiting Students (Junior Year Abroad students), third year undergraduates, fourth year undergraduates and graduate students in their first year.

The vast majority of second year undergraduate students and all graduate students beyond their first year must find accommodation on the open market in Oxford.

Access and tenancy agreements

Students who occupy a room in College or in one of the College annexes will first be required to complete a tenancy agreement which complies with the UUK/SCOP Accommodation Code of Practice (ACOP). Signing this agreement serves as an undertaking to abide by accommodation rules and regulations.

College rooms vary slightly in size and standard. Rooms are allocated before the start of the academic year and cannot normally be changed, save for exceptional circumstances (medical, welfare etc.) at the Domestic Bursar's discretion.

The College reserves the right of access to student rooms by Junior Deans, domestic and maintenance staff and others with the Accommodation Manager's express permission (plumbers, electricians etc). Wherever possible up to 24 hours' notice will be given of entry by non-College personnel, but there may be instances when for sound reasons this notice cannot be given. Similarly, while every endeavour will be made to keep this to a minimum, essential maintenance and repair work may have to be undertaken at times when students would prefer not to be disturbed. There will be regular room checks (not necessarily with prior notice) by the Accommodation Manager. Scouts (College cleaning staff) must be allowed access to perform their duties. If entry is not allowed, the Dean will be informed.

Accommodation is for single occupancy only. However, occasional overnight guests are permitted for not longer than two nights at a time. Anyone found staying longer than that will be asked to leave. The Lodge must be informed of all overnight guests, and students living in the off-site annexes must also inform the Warden of their building. This is a fire safety matter. Subletting is strictly forbidden and no guests are allowed to stay unaccompanied by a student.

Students are required to comply with the Licensing Act 2003 which relates to the supply and consumption of alcohol and the provision of entertainments.

Prioritisation of accommodation for undergraduate students

Y1 students

The College provides accommodation on-site for all new undergraduate students in their first year. None of this accommodation is en-suite, but the College does seek to accommodate specific requirements for students with disabilities or medical needs (eg proximity to a bathroom, quiet rooms). Music students are allocated particular rooms to reduce to the need to move digital pianos.

The accommodation requirements for undergraduates who intermit during their first year and then return at the start of Michaelmas term in the following academic year will be considered on an individual basis. Where possible, students restarting their Y1 course in Michaelmas term will be accommodated, if they wish it, and if arrangements to confirm whether an intermitting Y1 student is returning at the start of Michaelmas term have been concluded by early August.

Y2 students

The College does not have accommodation for UG students in their second year.

The College will strive to make accommodation provision for students with significant medical needs or disabilities if these affect their ability to 'live out'. A small number of rooms on the main site are used by Y2 students for this reason each year. The allocation of these rooms is decided in consultation with the Dean for Welfare and College Registrar (as College disability co-ordinator). In all cases, students' needs should be justified in their Student Support Plan from the Disability Advisory Service, or in other medical evidence.

Y3 students

All students in the third year of their course who make an application to the room ballot (see the section 'Undergraduate accommodation ballot' below) during their second year, before the deadline, will be accommodated in a college room (either on-site or in one of the annexes).

Students who are abroad in their second year (Russian *ab initio*) should enter the ballot for Y3 accommodation.

Students going into their Y3 with specific room requirements which are justified by medical needs or disabilities will be allocated rooms prior to the room ballot.

Students who are returning from intermission for the start of Michaelmas term of their Y3 studies will be accommodated in a college room (either on-site or in one of the annexes).

Students who do not make an application to the room ballot before the deadline (or are excluded from entering the ballot due to unpaid battels and lack of engagement with the Student Finance Officer - see the section in this Handbook titled 'Unpaid Battels and the accommodation ballot') are not guaranteed a college room in their Y3. Such students may be offered accommodation subsequently if there are rooms available.

Y4 students

Students who are abroad in their third year will be accommodated in a college room in their fourth year, providing they have confirmed that they want this accommodation before they go on their year abroad.

All other students in Y4 are not guaranteed college accommodation. The only exceptions are for students with significant medical needs or disabilities affecting their ability to 'live out' (see 'Y2 students' section above).

Students going into Y4 may enter the room ballot for rooms in Paradise Street in case there are rooms available after all Y3 students in the ballot have been accommodated in college rooms. A

student who did not take up a college room in their Y3 (and were not abroad) would have priority over other Y4 students in the room ballot.

Students (in any academic year) returning from intermission mid-way through the academic year

The accommodation needs for any students returning from intermission mid-way through the academic year (including Y1 students) are dealt with on an individual basis. It is usually possible to offer such returning students accommodation, but it is not always possible to guarantee this in advance.

Undergraduate accommodation ballot

The allocation of College accommodation (both on the main site and in annexes) for undergraduates beyond their first year of study is carried out by ballot, held before the end of Michaelmas Term.

The College does not currently have enough accommodation to house all its undergraduate students, and the majority of second year students will be required to live out in private accommodation (see 'Private accommodation' section below).

Ballot details and the full conditions of entry will be made available to students during Michaelmas Term. Those who have outstanding amounts owing to the College at the time of the ballot will not be permitted to enter unless they have agreed payment arrangements with the Student Finance Officer: see also the section in this Handbook titled 'Unpaid Batters and the accommodation ballot'.

Graduate accommodation

The Paradise Street annexe provides single accommodation for new graduate students (as well as some Y3 and Y4 undergraduate students). There is no double accommodation.

Graduate accommodation is limited and is only available to those in their first year of study. In subsequent years graduates are expected to find their own accommodation in Oxford. College accommodation is not usually available to those who return to submit their dissertation or attend a *viva*.

Further rooms are available through the University's Graduate Accommodation Office, the allocation of which is under the control of the College's Accommodation Manager. Occupants will be required to sign a "nomination agreement" before taking up residence. The College does not manage these rooms on a day-to-day basis and residents will need to liaise with the University's Graduate Accommodation Office directly as necessary.

The College also currently rents a flat at 11 New Road for occupation by a small number of continuing graduate students.

Private accommodation

There is helpful information on the University website and the Oxford SU website at:

www.admin.ox.ac.uk/accommodation/private/index.shtml

www.oxfordsu.org/wellbeing/student-advice/accommodation-living/

Guests and guest rooms

Fire regulations dictate that the Lodge must be informed of guests staying on the College's premises. Students occupying College accommodation either on the main site or in the annexes do not have the authority to allocate rooms to relatives or other guests.

Accommodation charges and lease arrangements

Further information is provided in Annex A: Accommodation charges and lease arrangements 2021-22.

Vacating rooms and vacation residence

It is a condition of the tenancy agreement that students vacate their rooms promptly at the end of the agreed period. Those who continue to occupy rooms without the required written permission (including students who need to stay up for exams) will be charged at conference rates (currently about £50 per night).

Main Site (excluding Staircase Three)

Students not staying up past the end of term should vacate their rooms by 10.00am on the Saturday of Week 8.

During the Michaelmas (Christmas) vacation, rooms on the main College site are available only to Finalists. All other students must vacate their rooms by 10.00am on the Saturday of Week 8 of Michaelmas Term – there are no exceptions.

Students requiring their rooms during the Easter vacation and students needing to stay up at the end of Trinity term for exams should email the Accommodation Manager by the end of Week 6 of the relevant term. Additional days that have been authorised by the Accommodation Manager (including extra days' residence in order to sit exams) will be charged on a pro rata basis at the standard daily rate. The College is able to award vacation grants to undergraduate students to cover a limited number of additional days where these are required for academic reasons. The application form for vacation grants can be found on the College intranet.

Staircase Three and Paradise Street, Lau Building and St Thomas' Street

The rent for rooms in Staircase Three and the off-site annexes covers the Christmas and Easter vacations. Students in Paradise Street will have the opportunity to keep their room beyond Saturday of Week 9 in Trinity Term by prior arrangement with the Accommodation Manager. All other students must vacate their room by 10am on Saturday 25 June 2021. The College offers accommodation in its Paradise Street building to students in other annexes who need to stay in Oxford during the Long Vacation, and enquiries should be made during Trinity Term.

Cleaning and rubbish disposal

Students are responsible for the day-to-day cleanliness and tidiness of their rooms. Students are expected to remove rubbish and recycling from their rooms, taking it to the appropriate nearby collection point, or to leave their bins outside their rooms for emptying by Scouts.

Students must allow the housekeeping staff regular access to their rooms for routine cleaning. Scouts will vacuum student bedrooms fortnightly and clean en-suite shower rooms weekly. Communal areas (including bathrooms and kitchens) will be cleaned regularly.

See also the section 'Waste and Recycling'.

Removal of personal belongings

On vacating rooms, all personal belongings and rubbish are to be removed. Dressing tables and cupboards must be left unlocked and completely cleared. College staff will dispose of personal items left in College accommodation, for which there will be a charge. Large bags of rubbish must not be left in rooms at the end of term: there will be a charge for disposal of each bag, based on the College's cost of labour and relevant materials. Any belongings left in the JCR at the end of Trinity Term will be disposed of.

Any personal fridges left in rooms when they are vacated will incur a charge for removal and disposal based on the College's cost of labour and relevant materials (see Annex C: Charges for damage to College property).

Storage

The College has no general facility for storing students' effects; students must therefore make arrangements to take all their personal possessions away during the vacations. Students from overseas are given priority in the allocation of storage space when it is available, up to a limit of two closed suitcases or their equivalent. They should liaise with the Lodge Supervisor well in advance of the end of term if they wish to request permission for this. Students are responsible for packing and moving their suitcases to the storeroom. All items placed in storage will be recorded by the accompanying member of Lodge staff. The College accepts no responsibility for items so stored. Items stored will be disposed of if not collected by the end of Week 1.

In circumstances in which there is no storage space available, students are advised to make use of commercial lock-up/storage facilities.

There are no storage facilities available in College for the following categories of students: Modern Languages or other students during their year abroad; students who are intermitting; students who live in non-College accommodation; students who have finished their courses. Occupants in Matthews and New Building will find a secure strong box at the bottom of the wardrobe. This is to secure personal belongings as you see fit, but you will be required to provide a suitable padlock. Please note that you should not place any items of significant weight on top of the box.

Parking

The College takes no responsibility for paying parking fines incurred while unloading/loading students' belongings.

Private furniture

Students are not permitted to bring private furniture into College property. This includes futons and/or own mattresses, blow up beds, sofas, chairs etc. There are no facilities for storing private furniture/furnishings on College premises or in College annexes. A charge will be made if any private furniture has to be removed by College staff from student rooms. College furniture (including soft furnishings) may not be removed nor may it be exchanged between rooms without the express permission of the Head Housekeeper. Furniture is not to be removed from rooms or placed in corridors, halls or common rooms.

In exceptional circumstances (medical conditions and other special requirements), students may ask the Accommodation Manager to arrange the removal of furniture. This permission must be sought in the first two weeks of Michaelmas Term.

Damage

Students resident in College or College-owned property will be held responsible for any damage to their rooms. Damage to College property must be reported to the Lodge at once. Failure to report damage to the Lodge immediately may be treated as an offence, for which a fine may be imposed in addition to any charge for repair or replacement.

BluTac, white tac, double-sided tape, gummed paper, Sellotape, drawing pins, staples and other substances which mark or damage the walls are prohibited. Occupants will be charged the cost of redecoration in cases of damage to the walls.

Removal of fixtures, fittings and issued furniture (except by special arrangement, see above) will be treated as damage and the occupant will be held responsible and charged for the cost of reinstatement.

Annex C: Charges for damage to College property provides indicative figures for the costs charged to students in relation to damage to College property.

Please be aware that College furniture is sent for renovation on a regular basis. Some items are part of the original furnishings from 1928 and should be treated with special care.

Crockery, glasses, cutlery and kettles

The College does not supply crockery, glasses, cutlery or kettles for students' rooms, nor may these items be taken from Hall or the Bar.

JCR Kitchen

Kitchen facilities are available in both the JCR and MCR for heating snacks and making hot drinks. Students are responsible for keeping these areas clean and tidy at all times; these kitchens will be closed if they are not kept clean and tidy.

Heating and electricity

Heat, light and water are included in room charges. This is based on previous fuel/water consumption and cost. Members are expected to take a responsible attitude to the control of the temperature in study-bedrooms. The College reserves the right to pass on additional charges where consumption is considered abnormally high. As part of our sustainability agenda, rooms increasingly have modern 'dry' heat systems which allow for external setting of room temperature and presence detection whereby the temperature is lowered if the resident is away from their room for an extended period.

Lights, radiators and electric heaters should not be left on unnecessarily. Automatic switches are increasingly being installed to reduce energy consumption. Students are invited to conserve water by taking showers rather than baths. Heating is turned on in Michaelmas Term and turned off in Trinity Term at the discretion of the College, taking into account the welfare of students. College needs the help of its students to further drive down its carbon footprint, which fell 40% in the six years to 2019 (our most recent data). College is investing in technology that reduces the spend on heating empty rooms.

Electrical appliances

The College has statutory responsibilities under the *Electricity at Work Regulations* and takes the risk of fire extremely seriously. Each portable electrical appliance must be fitted with a 13 Amp BS 1363 plug with sleeved pins and a fuse not exceeding 13 Amps. Students have a responsibility to ensure that plugs on radios, lamps and other lightly loaded appliances are fitted with 3 Amp or 5

Amp fuses as applicable. All electrical appliances that students have in their rooms need to be PAT tested unless purchased in the last twelve months. If students are unsure about an item, it can be visually inspected by the maintenance team in the first instance. Where an item is deemed to require a PAT test, a charge may be applied. Appliances found to be unsafe will be removed. Students are advised to protect computers with an anti-surge lead.

Electrical safety leaflets will be attached to the pin boards in each bedroom for guidance on not overloading the electrical sockets.

Electric heaters

Students may not use electric heaters in College rooms unless provided by the College.

Irons

Students are encouraged to use the Irons provided in laundry areas rather than bringing their own irons to College. Irons may be used only on ironing boards, not on the carpets: burns from irons to carpets, flooring, furniture and fittings will be charged for. In the annexes, irons must only be used in laundry areas.

Fridges, kettles and other cooking equipment

Fridges are permitted in student bedrooms but must be registered using a form available at the Porters Lodge (and available on the intranet) and must be removed when rooms are vacated. There are limited fridge facilities in the JCR kitchen. Electric kettles are permitted but must be less than one year old or have a PAT test certificate. Cooking equipment is not permitted in any of the College's bedrooms or common rooms. This includes toasters, sandwich makers, rice-cookers or deep fat fryers and the like. These will be confiscated if found (and only returned at the end of term) and a decanal fine of £75 may be charged.

Other electrical items

Hair straighteners/tongs must not be left on desks, carpets or any other surface likely to get damaged: users are strongly advised to bring the insulated covers/mats specifically designed for use with these items. Any damage to rooms due to the above will result in the student being billed for the damage.

Lava lamps/wax melt units etc/electric blankets/plug-in fairy lights are not permitted in student bedrooms. Battery-operated fairy lights are permitted.

TV licence

If you decide to have a television in your room, it will be necessary to provide your own television licence. You also need a licence to download or watch BBC programmes on demand - including catch-up TV - on BBC iPlayer. This applies to all devices, including a smart TV, desktop computer or laptop, mobile phone, tablet, digital box or games console. Even if you access BBC iPlayer through another provider, such as Sky, Virgin, Freeview or BT, you must have a licence. For further information see <http://www.tvlicensing.co.uk/check-if-you-need-one/for-your-home/students-aud1>.

Food and Drink

Dining Hall

Foods brought in or purchased from outside may not be consumed in the Dining Hall.

Please note that crockery, cutlery and glassware are not to be removed from the Dining Hall.

Mobile telephones are not to be used in the Dining Hall. Computers, satchels, shopping bags, books and other bulky items are not permitted in Hall but you are strongly advised not to leave valuables at the bottom of the stairs in Hall.

Appropriate attire, including footwear, must be worn in the Dining Hall at all times. Pyjamas are not appropriate attire.

Meal times

Student meals begin at dinner on Sunday of Week 0 and end after breakfast on Saturday of Week 8 each term. They are normally served in the Dining Hall at the times indicated below.

Breakfast	8.00am – 9.00am	Mon to Fri
Lunch	12noon – 1.30pm	Mon to Fri
Weekend Brunch	11.00am – 12.30pm	Sat / Sun
Dinner		
Informal Hall	5.30pm – 7.30pm	Mon / Wed / Fri
Informal Hall	5.30pm – 6.30pm	Tues / Thurs / Sat
Informal Hall	6.00pm – 7.30pm	Sun
Formal Hall	7.30pm	Tues / Thurs

If a Formal Hall is cancelled, the serving time for Informal Hall may be extended; equally, if an additional Formal Hall or special function is scheduled, the preceding Informal Hall will finish early. Changes to catering arrangements may also occasionally be necessary for other operational reasons. Any changes will be notified to students via the Catering Menu Board at the top of the Dining Hall stairs and by email. The Catering Menu Board is also used to display menus, and information about meals during the vacation.

Informal and Formal Hall

Informal Halls are self-service dinners. Formal Hall dinners are normally three courses and are served. Gowns are worn at Formal Halls. Members are asked to sit where directed by Dining Hall staff. Students are welcome to invite guests to attend Formal Halls, particularly Guest Nights on Thursdays.

Please arrive early with your friends/guests to ensure you can be seated well before 7.30pm, when the door to Hannington Hall will be closed. Please note if you are late for Formal Hall you will not be allowed to attend the dinner and no refund will be given. Diners must rise and stand in silence when those dining at High Table enter the Hall and remain standing whilst Grace is spoken or sung,

Allergies and special dietary needs

Students are asked to notify the Catering Department of any allergies or special dietary needs by using the 'Special requirements box' when booking on Upay, no later than 10.00am the day before for Formal Halls, or 10.00am on the closing date for other events.

We cater for individual requirements as far as possible but may not be able to do so in every case. We cannot guarantee that food has been prepared in a nut-free environment.

Meal charges

As a rough guide, students should budget £600 – £830 per term for meals. The charge for a Formal Hall dinner is £9.40 for the student, £12.20 for their first guest and £16.40 for additional guests. For JCR/MCR guest nights, sports and society dinners, £31.10 if held on a Monday, Wednesday or Friday and £37.05 if held on a Saturday.

Payment and signing-in procedures

The Dining Hall operates a pay-as-you-go meal system. Each student has their own account which is accessed via the Upay website at www.upay.co.uk and which they top up as necessary. Top up payments can be made online at any time. Further information about accessing Upay accounts will be circulated to new students by email.

Payment for Informal Hall meals

Students must present their University Card at the Dining Hall till. This will be used to link to their Upay account, which will be debited with the cost of the items they have selected. All items will be charged individually. Prices will be displayed in the Dining Hall.

Students who have lost their University Card should request a new one from the Academic Office without delay. They can obtain a temporary meal card from the Lodge for use until the new card arrives. Meals will not be available to those without a University Card or meal card. Temporary meal cards are priced at £10 and can be used to purchase food up to the value of the card. Further cards may be purchased as necessary if there is a delay in the issue of the new University Card. All temporary meal cards must be returned to the Lodge as soon as they are no longer required.

Pre-payment for meals

New undergraduate and visiting students will be provided with all meals (breakfast, lunch and dinner) for the first four days of Freshers' Week (from dinner on Sunday 3 October until breakfast on Wednesday 6 October inclusive) for a single payment of £28, which will be charged to your Michaelmas term battels. They will therefore not need to use the Upay payment system until lunch on Wednesday 6 October.

Undergraduate Freshers in 2021-22 are included in College's pre-pay programme which is administered through uPay. The effect of the pre-pay scheme is that, whilst dining is Pay As You Go, participating students will spend a minimum of £288 in Hall each term. More details can be found in the FAQs on the Dining Hall page on College website. The Domestic Bursar will consider medical and religious dispensations.

Payment and signing-in procedures for Formal Halls

Students wishing to attend a formal dinner should sign-in via their Upay account, which will be debited with the appropriate charge. Formal Halls will be visible on Upay, usually up to 21 days before the event closes. Students are urged to book early to avoid disappointment! If you need to alter your booking, please cancel and rebook immediately.

The signing-in list will close at 10:00am on the day before the dinner, or earlier if the list is full. Students experiencing problems booking events should contact catering@spc.ox.ac.uk before the event closes.

After the list has closed no one will be able to sign-in, cancel or obtain a refund for whatever reason. Please note that you must have your email confirmation (on a printout or mobile device)

to hand when attending Formal Halls. This will help us to identify you, any guests and your allocated meal choices.

Formal Hall dinners may be cancelled if numbers are insufficient (less than 15). Anyone who signed in for a Formal Hall that is cancelled will get a credit to their Upay account.

Please note that children under the age of 14 are not permitted to attend any formal dinners.

Guests

Students may invite guests to meals when space allows, limited to four guests on a Tuesday and two guests for Thursday Formal Hall (fewer or none at popular events such as Burns Night). For formal dinners, they must sign-in and pay for their guests electronically via Upay. Guests' meals at Informal Halls will be charged to the host's Upay account via their University Card. Meals for all guests incur VAT.

MCR arrangements

MCR members are invited by the SCR to dine with them on High Table on Tuesdays in odd weeks of full term (limited to eight places). MCR members wishing to dine at High Table should sign-in via Upay. Other meals will be charged for in accordance with the arrangements outlined elsewhere in this section.

Arrangements for MCR Formal Dinner Exchanges are made by the MCR Secretary. Sign-up lists are placed on Upay. Exchange ticket cost: £21.60 (inclusive of VAT) for one MCR member + one exchange guest.

Organisation of Society/Sports Club Dinners

Organisers of dinners and other social events for College societies and sports clubs should note that these are not normally permitted after Week 7 of Michaelmas and Hilary terms and Week 3 of Trinity Term. Arrangements for such functions are made by contacting events@spc.ox.ac.uk. In parallel, permission should be sought from the Junior Deans, using the D1 form available from the Lodge and on the College intranet.

Final list of attendees and any special dietary needs must be provided two weeks prior to the event. A minimum of 50 attendees is required in order for the event to go ahead.

Full payment must be made via Upay two weeks prior to the event or it will be cancelled.

Charges for dinners are not payable via battels. (Societies/Clubs will be invoiced for guests eg. alumni.) Any damage to premises or equipment will be charged to the organising club or society.

College Bar

The College operates a Bar at the discretion of the Governing Body and under the authority of the Dean and the Bursar (as license holder). Payment is contactless (debit or credit card). The Bar is run by the JCR Bar Committee for the benefit of all members of College. It is generally open 7pm-11pm from Monday to Saturday. Drinks are served only to members of the College and their guests. The sensible operation of the bar depends upon members' co-operation. Bar staff have absolute discretion on the serving of drinks. Glasses may not be taken from the Bar; the cost of glasses found in College rooms will be charged on battels.

The College is obliged to comply with licensing legislation and in accordance with the Licensing Act 2003, the Bursar is appointed as the Designated Premises Supervisor.

The Bar is subject to full decanal authority at all times. Students are asked to note the restrictions set out in the *College Regulations*. Students are responsible for the behaviour of their guests whilst the latter are on College premises.

Security and Safety

People acting suspiciously and unattended packages should be reported immediately to the Lodge.

College entrances

The College uses a Salto Entry system in which a student's University Card acts as a key. Your University Card will be needed to open the wicket gate (the Mair Gate, adjacent to the Chapel) and the Bulwarks Lane door during the day, and for access to the College through the Lodge entrance after the main door is locked from 6.00pm. The wicket gate and Bulwarks Lane door may not be used after 6.00pm, when they will be locked.

CCTV cameras monitor the entrances to the College and other areas. These are backed up by a 24-hour recording system.

Guests who are invited to the College should present themselves to the porters on duty at the Lodge. Those who do not make themselves known at the Lodge may be challenged. Students may not enter the Lodge office behind the counter.

The College's Law Centre in New Road is also accessed by the Salto entry system.

Keys

Room keys are issued subject to the following conditions:

- All keys are issued from and should be returned to the Lodge. While a student still has possession of their room key, they are deemed to be occupying their room and will be invoiced via battels accordingly.
- There is a deposit of £40 on a room key. Room key deposits are refundable at the end of the academic year, on return of the keys to the Lodge.
- Members are personally responsible for the safe custody of their keys. Room keys may not be 'shared'. Keys should not be left in open rooms or in doors for however short a period.
- Keys must not be passed to other students on departure but should be returned to the Lodge when no longer required. Members will be charged for keys and for the occupation of a room if keys are not returned as proof of departure.

Bedrooms in the Perrodo Building do not have keys, with the access being controlled by University Card or fob access.

Room keys: students living on the main site with 27-week contracts should return their room key to the Lodge at the end of each term.

All students in both main site and annexe accommodation must return their room keys at the end of Trinity term.

The loss of any key should be reported immediately to the Lodge so that it can be taken out of the system to prevent unauthorised use. The student concerned will be charged for the cost of a replacement. Should the key give access to a College annexe, and its loss entail changing locks, the cost will also be charged to the student to whom the key relates.

Spare keys will be issued for emergency use only and must be returned the same day or a charge of £40 is payable.

If a student loses their University Card a temporary fob can be issued by the Lodge. If this is not returned to the Lodge a charge of £5 will be payable.

University Cards

Students who have lost their University Card should request a new one from the Academic Office without delay. Temporary meal cards and fobs to enable access to the College site can be obtained from the Porters Lodge: see the sections on 'Keys' and 'Payment for Informal Hall meals'.

Security of personal property

Neither the College nor its insurers can accept any responsibility for the safe custody of money, computers or personal property in College study/bedrooms, College houses, cycle storage areas or elsewhere on College premises, either in term or during the vacations. Thefts from rooms, hallways and libraries do very occasionally occur and it is incumbent on everyone to remain vigilant and to report suspicious incidents promptly. Students are strongly advised to insure their personal possessions if they are not covered by the group insurance scheme (see 'Insurance of personal belongings' section below).

Students are strongly encouraged not to leave their rooms unlocked for however short a time and not to leave valuables unattended anywhere in the College.

Insurance of personal belongings

Students living in College managed accommodation are automatically covered by a Room Contents group insurance scheme provided by Endsleigh Insurance. Full details of the insurance policy can be found in Annex D: Endsleigh Insurance details.

Bicycles

Bicycles brought into College must display an identity sticker obtainable on registration at the Lodge. Untagged/unregistered and unserviceable bicycles will be disposed of.

The only bicycle entrance onto the main College site is via the wicket gate beside the Chapel. Bicycles may not be brought through the Lodge entrance. (At night, after the wicket gate has been closed, they should therefore be left in the Chavasse bicycle enclosure, which is accessible from New Inn Hall Street using the University Card.)

Bicycles brought into College may only be left in the bicycle stands provided and are not to be ridden in the quadrangles. Under no circumstances may bicycles be taken into rooms or corridors or inside any College buildings other than designated bicycle stores.

Any bicycles left on College property belonging to students whose course has finished will be disposed of without notice. Furthermore, no bicycles should be left within the St Thomas Street, Lau or Paradise Street premises once a student's lease in these properties has ended, whether they are subsequently returning to College or not. Again, any bicycles so left will be immediately disposed of.

The incidence of bicycle theft in Oxford is high. The College takes no responsibility for students' bicycles, either on or off the College premises. It is therefore advisable to buy a strong bicycle lock and, if necessary, take out insurance (this can be done through Endsleigh, see above).

Bicycle safety

All cyclists are strongly advised to wear helmets and high visibility jackets which are easily available at local cycle shops. It is essential to use back and front lights after dark: these should meet the recommended guidelines to be found in the Highway Code and be regularly checked to ensure they are fit for purpose. (The police will stop and fine cyclists who ride without lights.) You

are also strongly advised to ensure that your bicycle is regularly maintained e.g. brakes are effective, chains are oiled etc. For more information for cyclists in Oxfordshire including cycle safety, helmets and training, please visit: www.oxfordshire.gov.uk/cms/public-site/bike.

Motor vehicles

Students living in College are not permitted to keep motor vehicles in Oxford except by written permission of the Dean. The College does not provide any parking on its property for students' motor vehicles.

Health and Safety

The College's responsibilities under the Health & Safety at Work Act (1974) require students to:

- ensure that they are aware of appropriate College safety rules, and to conform to those at all times.
- report to the Duty Lodge Porter all hazards, incidents and accidents, whether persons are injured or not, and all damage.
- report immediately to the Duty Lodge Porter any defects in any part of the building, equipment or machinery which may be or may become a danger to themselves or others.
- comply with instructions in this Student Administrative Handbook (or any subsequent iteration of it).

Further information about how to report hazards, incidents and accidents can be found in the section 'Reporting maintenance problems and other issues'.

Students are reminded that interfering with any safety equipment or obstructing those carrying out safety duties may constitute a criminal offence.

Fire notices are posted in each College room and general Health & Safety notices are displayed on the main notice board in the Porters Lodge and in each of the annexe buildings. Students and their visitors are expected to familiarise themselves with the contents of these important notices.

Fire safety

Candles, other forms of naked flame (including incense sticks and barbecues) and any other combustible materials are absolutely forbidden in College accommodation or on College property at any time. Clothing must not be placed on heaters or on light fittings. All forbidden items will be removed and returned at the end of term.

Students must not tamper with or impede the operation of any fire safety device (e.g. hoses, alarms, smoke detectors etc.). Fire doors must not be propped open. Fire exits must at all times be kept clear. It is particularly important that students living in the annexes do not block fire exits with bicycles.

The unlawful use or removal of fire extinguishers constitutes a risk to the health and safety of other occupants of the building and is an offence which will attract a decanal fine of £100 in addition to the cost of the restitution of the fire extinguisher.

It is an offence under the Health and Safety at Work Act to tamper with, mask or remove fire signs, detectors or extinguishers, or to obstruct fire exits or to prop open fire doors.

Barbecues may not be held anywhere on the main College site or in the annexes without decanal permission; and individual barbecue equipment will be confiscated if found.

See also the section titled 'Seminar and Music Rooms'.

Fire assembly points

Fire notices indicate the locations of assembly points. Within the College these are indicated by green and white signs.

Fire alarm tests

Weekly fire alarm testing is carried out by the Maintenance Team in conjunction with an external contractor. These are currently on Tuesday mornings.

Fire Evacuation drills are carried out termly to ensure that College fire procedures are tested and that students become familiar with escape routes and assembly points. On hearing the fire alarm all students will immediately leave the building and report to the closest assembly point.

Roofs and windows

Under no circumstances may students go onto the roofs or parapets of any of the College buildings.

Occupants of any room situated at 1st floor level or above are advised of the possible risk of falling from a window opening to a distance greater than 4"/100mm and are asked to exercise an appropriate level of care. Window restrictors have been fixed to windows to minimise risk. These restrictors must not be altered, removed or otherwise tampered to change in any way the manufacturer's designed use of the restrictor. Window restrictors that are removed or damaged by the room occupant will be replaced and the cost will be charged to the occupant. This can be up to £200 per window.

Construction works

Under no circumstances may students enter areas or buildings designated a construction site.

Sports Safety

Rowing and sailing

No one may row or sail until they have shown evidence of an ability to swim and the evidence has been recorded by the relevant captain of the sport.

Sports Insurance

Except for Rugby, for which there are special arrangements through a compulsory national scheme, the College carries no insurance for personal sports injuries. Those who participate in or train for any sport or use training facilities do so entirely at their own risk.

Reporting of sports injuries

All injuries are to be reported promptly to the duty staff in the Lodge and entered into the Accident Book. In the case of team sports, this is the responsibility of the team captain.

Behaviour

Student Regulations

All students should familiarise themselves with the rules contained in the *Student Regulations* (reproduced in Annex E: Student Regulations). Some of the regulations are summarised below.

Respect for College property and staff

The College relies on members to help maintain standards and to avoid litter. Abuse of College property is a disciplinary offence, as is disrespectful behaviour to College staff. Cleaning and maintenance staff must be allowed reasonable access to College rooms.

The throwing of flour and similar substances ('trashing') after public examinations is forbidden.

Failure to report damage to the Lodge immediately may be treated as an offence, for which a fine may be imposed in addition to any charge for repair or replacement. In general, damage to College property brought about by students will be charged at cost to the student responsible. Where it is not possible to identify an individual student as responsible, damage may be charged to the JCR, MCR, or a College Club.

Harassment

The College does not tolerate any form of harassment or victimisation and expects all members of the College community, its visitors and contractors to treat each other with respect, courtesy and consideration. The College's *Policy and Procedure on Harassment* can be found on the *Official Information* page of the College website.

The College has two Harassment Advisors (Dr Massimo Antonini and Katie Pullen-Rowland) who can provide support and advice to any student who feels that they are being harassed.

Gardens and Quads

Grassed quads in Oxford colleges are traditionally 'off limits'. Walking on the grass in Linton Quad is prohibited. No ball games (or throwing activities e.g. frisbees etc.) are to be played on College premises. Bowls or croquet may be played on the Chavasse Quad with the Bursar's permission. Students may not climb trees on College property.

Music and noise

Music played on College premises, whether recorded or live, is not at any time to disturb other members of the College or the public. This applies to all sources of avoidable noise including that from outside areas, the Bar and common rooms. The College is obliged to comply with strict national and local legislation regarding the supply of alcohol, entertainment, music (both recorded and live) and noise generally.

Parties and events

Members of the College who hold parties are required to take reasonable steps to exclude uninvited or disorderly guests and to prevent damage and noisy behaviour. Guests must be individually invited. Gatherings in student rooms of more than eight people require prior permission from a Junior Dean. College Regulations state that quiet should be maintained between 11.00pm and 7.30am through the week, with exceptions for Bop nights.

Application forms (D1 forms) to book an event/party in one of the College's seminar rooms are available from the Lodge or the College intranet. Students are responsible for the behaviour of their guests whilst the latter are on College premises. Permission should be sought from one of the Junior Deans for certain categories of event; for further information see the *Student Regulations*.

Drugs

The illegal use of drugs in College or on premises managed by College is prohibited and members in breach of this rule may be required to discontinue residence in College. The College is criminally liable if it knowingly permits the illegal use of drugs on its premises. The Governing Body has endorsed a '*Statement of Policy on The Use of Illegal Drugs*' which can be found on the College website.

Alcohol

The College acknowledges that alcohol consumption is an acceptable and established part of life in Britain. However, the College promotes responsible social drinking and minimising alcohol related harm to individuals and the community as a whole. The College endorses the University's '*Policy on the misuse of alcohol*'. The College is strictly bound by the provisions in the Licensing Act 2003.

Excessive drinking and alcohol abuse is anti-social and will not be tolerated. Drunkenness (in a public place) is a civil offence.

Smoking

Smoking is only permitted in designated areas, as set out in the College Regulation 27 and in the College's *Smoking Policy* which can be found on the College website. The designated smoking area on the main College site (in Mulberry Quad in the immediate vicinity of the ash tray provided) is only for use during limited hours (7pm to 7am in Michaelmas and Hilary terms, and 9pm to 7am in Trinity term). Notwithstanding the above, and given the current state of the mulberry tree, the location of any smoking area within the main estate may be reviewed.

Cigarette ends must be disposed of only in the containers that are provided in designated smoking areas; they should not be thrown on the ground or in flower beds. At night time students are asked to be mindful of those sleeping in proximity to this area, and are required to keep noise to a minimum.

Fines will be imposed for failing to comply with the smoking regulations. The Dean will impose a fine if fire alarms are activated by smoking.

Animals

Students are not allowed to keep animals (apart from guide dogs) in College accommodation or bring them onto College premises, unless permission has been granted by the Bursar. Animals in this context include mammals, fish, insects, birds and reptiles.

Facilities and Services

Mail

Every student is allocated a pigeonhole (normally shared with another student) in the Porters Lodge. Pigeon holes are used for incoming mail, official circulars, phone messages etc. Personal mail should be sent to the College postal address (St Peter's College, New Inn Hall Street, Oxford OX1 2DL) even if you are living in a College annexe.

A messenger service distributing mail within the University operates during term time and most of the vacation; outgoing items should be handed in to the Lodge. The terms and conditions of service may be found at www.admin.ox.ac.uk/estates/ourservices/fm/ums/.

Email

Students are also issued on arrival with an Oxford University email account. Email is used routinely by tutors and administrative staff for communicating with students.

Students are responsible for checking both their pigeon hole and email messages regularly (every day in term time in case there are urgent messages e.g. about changes to tutorial arrangements) and should respond within 24 hours to messages from tutors and administrative staff.

Notice boards

Notices may be pinned to the official notice boards provided in the JCR, MCR and at the foot of each staircase. Those who post notices are responsible for removing them when they become outdated. Notices, posters and stickers placed in any other location or fixed with staples will be removed. Students should not fix notices directly onto doors.

Photocopiers, printers and the document binder

There are two student photocopiers. They are located at the entrance to the Library and in the Law Library. The photocopier in the Library is also a printer and charges for printing and copying will automatically be added via battels. The photocopiers in the Fellows' Secretary's office and in the Fellows' Writing Room are not for student use.

Printing and photocopying costs for undergraduates and Visiting Students are charged via battels at the end of each term. Printing costs for members of the MCR are covered by the MCR **up to £50 per academic year**; any charges over this amount will be charged directly to the student via battels.

The College has a binder for binding theses, dissertations etc. It is kept in the office of the Fellows' Secretary on the ground floor of Besse Staircase. Contact the College Office team (college.office@spc.ox.ac.uk) to arrange an appointment to use the binder. There is a charge of £2 per item added to student battels.

College website and intranet

The College website (www.spc.ox.ac.uk) provides information about College events and activities for prospective, present and past students, including an *Official Information* section with copies of College regulations, codes of practice and policies. Please contact the Website Editor, Dr Richard Allen (richard.allen@spc.ox.ac.uk) if you wish to suggest news or other items for the website.

The College intranet (follow the link on the College website) provides useful documents and forms for current students.

IT facilities

Computers are available for students' use in the entrance to the Library. All College rooms have Internet access through the University network. The College's IT Office is your first port of call for all of your IT-related questions advice and support. The Office offers support for any IT problem, be it related to any of your own devices or to our systems. Where it is not in our remit (such as an issue with Nexus, which is managed centrally), we will liaise on your behalf or point you in the right direction.

The IT Office is located in Staircase Three, Room 1. Opening hours: 10am - 12noon and 2pm – 4pm, Monday – Friday.

Student Guest wi-fi will be available for all early arrivals to the College until the beginning of Week 0 for students with laptops and mobile devices. Student wi-fi details can be obtained from the Lodge.

Once in possession of a University Card and corresponding email account details students

- will be able to access to the student computers located in the library,
- can utilise web-based printing at <http://print.spc.ox.ac.uk>,
- can request wired internet access through the IT Office, and
- will gain access to wi-fi.

Information about internet connections and IT facilities can be obtained from the IT team: it-help@spc.ox.ac.uk or by phone 01865 286001.

IT Regulations

All students must abide by the University of Oxford's regulations governing the use of IT facilities, detailed at www.admin.ox.ac.uk/statutes/regulations/196-052.shtml, and the St Peter's College Computer Regulations, set out in Annex G: Computer Regulations. Please note that unauthorised cable runs and devices in the College's accommodation will be removed.

Laundry

Laundry rooms are located in the annexes and on the ground floor of Staircase Four and on the first and third floors of the Matthews Building. To use the laundry facilities, you need to buy a card (using a £2 coin) in the Staircase Four laundry room and then top it up online (at www.circuit.co.uk). The card can then be activated in any laundry room and used to pay for the washing and drying machines.

Reporting maintenance problems and other issues

All maintenance problems/requests should be reported to the Porters Lodge as soon as possible. The Porters will enter the request onto the maintenance calendar which is looked at regularly throughout the day by the maintenance team. Safety or emergency problems should be directed to the Duty Porter without delay.

Maintenance department hours are 7.30am – 4pm Monday-Friday. Maintenance problems will be graded by the maintenance team as emergency, urgent and non-urgent. We aim to respond immediately to *emergency* faults and to rectify the fault within four hours. For *urgent* problems we aim to respond within the hour and to rectify the fault by the by end of the working day where possible. We aim to respond to non-urgent problems within two working days and to rectify the fault within five working days; however non-urgent work may in some cases be left to the vacation, when planned maintenance is usually carried out. Maintenance work may sometimes

have to be carried out during term time. We will endeavour to give affected students five days' notice wherever possible.

Accidents and hazards can also be reported by email:

- accident@spc.ac.uk to report an accident which has occurred on college property. If you have filled in an accident report form, you should attach it to the email or provide the report number.
- hazard@spc.ox.ac.uk to report something that might be dangerous or cause an accident. If there is an immediate risk from the hazard then you should stay close to it and get someone else to report it immediately to the Porters Lodge. If there is not an immediate risk, then report the hazard by email.

Waste and Recycling

The College is obliged by law to recycle as much of its waste as possible. It is up to students to assist in this aim at all opportunities; we ask for your full co-operation in this.

Each student bedroom has two bins, one for recyclable waste* and one for non-recyclable waste. Students can empty their bins at the appropriate nearby collection point. Bins from student rooms will only be emptied by Scouts if they are left outside the door of the room.

* Recyclable waste: glass bottles, and jars including lids, all paper products, cardboard, washed and squashed tins and cans, foil, discharged aerosol cans, plastics (all types of plastic bottles and lids, plastic pots, tubs trays and punnets), drinks cartons and tetrapaks.

For further information about what can be recycled, see the leaflet provided in each student bedroom. There are further receptacles for recycling in the JCR and in the bin stores by the Matthews Building. Persistent failure to engage in the recycling scheme will be reported to the Junior Deans.

Food waste caddies can be found in each student kitchen. Food waste bins (red wheelie-bin) will be located near other general waste bins. There are also separate bins in the Dining Hall for food, recyclable and non-recyclable waste.

College Library

The Library is open throughout the year except for short periods over Christmas and Easter. It aims to provide material principally for undergraduate study. The Librarian sets standards of behaviour for the Library that are in the interests of all members. Casual behaviour in relation to the borrowing of books is penalised severely. There is an electronic security system. As is usual practice, random spot checks of those leaving the Library are also undertaken. Those leaving the Library with a book which has not been correctly checked out will be liable to a fine of £50 for a first offence. Books returned late attract a levy of 20p per book per day overdue, as does each book over the borrowing limit of 15. At the end of the academic year there is a full book check.

All Library staff are happy and available to support all College members in their use of the Library and its resources. Library users are encouraged to discuss their particular needs with staff who will do their best to help in each individual case.

It is in the interests of all students to see that books are returned in accordance with the *Library Regulations* which are detailed in Annex F: Library Regulations.

Seminar and Music Rooms

Students who wish to use any of the rooms listed below must make a booking via the Lodge. (The Dorfman Centre is normally only available to students when a Senior Member is present.)

- Davis, Miles and Theberge Rooms
- Dorfman Centre
- Latner and Warriner Rooms
- Music Room

See also the section of this Handbook titled 'Parties and events'.

Students using these rooms must ensure that the number of people present does not exceed the maximum occupancy level for the relevant room. The event organiser should ensure that all exit doors are unlocked to ensure that a smooth evacuation can be achieved in the event of a fire. This includes nominating individuals to hold open the doors during any evacuation.

Use of the Music Room is restricted to those granted permission by the Director of Music or the Tutor in Music. The Lodge has a list of those who have received permission to use the Music Room.

Chapel

The Director of Music, Quintin Beer, may authorise musical events and rehearsals in Chapel. All other activities require discussion with the Chaplain, Revd Dr Elizabeth Pitkethly and the College Registrar, Catherine Whalley. Further information about the use of the Chapel can be found in the Chapel Protocols on the College website. The organs, the grand piano and the harpsichord may only be played or moved by those specifically authorised by the Director of Music.

Sports facilities

The College shares a sports ground and facilities with Exeter and Hertford Colleges at Marston. The facilities include football, rugby, hockey, cricket pitches and grass tennis courts. The College shares a boathouse and facilities on the Thames with University College. Limited equipment and running costs are funded by an allocation from the College.

The JCR sports rep (on behalf of the Captains of the various sports clubs) and the treasurer of the Boat club attend meetings each year with the College Accountant to propose and agree the allocation of funds between the various sports.

Financial matters

Fee invoices

Detailed information about University and College tuition fees is provided in the *Financial Guide* (available on the College intranet). Invoices for fees, where required, will be sent by email during Week 0 of Michaelmas Term. Payment is due **in full** no later than two weeks from the date of the invoice. If you cannot pay your invoice before this date you must contact the Student Finance Officer.

Battels

College invoices are called “battels”. A battels invoice will be emailed to your spc.ox.ac.uk email address before or during Week 0 of each term. Payment is due **in full** no later than 2 weeks from the date of the invoice.

Battels invoices cover accommodation charges for the coming term and charges for other services from the previous term, such as vacation residence, printing charges and library fines. For more details, please see Annex A: Accommodation charges and lease arrangements 2021-22 and Annex B: Other charges 2021-22.

Payment arrangements

All payments made should include your individual student account number which is shown on your invoice, to enable swift allocation to your account.

Payments to the College should preferably be made by bank transfer. The College’s bank details are shown on your invoice and on the College website.

For international bank transfers the College has partnered with foreign exchange company TransferMate (*PaytoStudy*) to allow international students to make payments by sending us secure bank transfers in their own local currency.

Accounts may also be settled by credit/debit card or, in exceptional circumstances only, by cheque. The College accepts card payments by Visa, MasterCard, Maestro, and Union Pay. Cheques should be made payable to ‘St Peter’s College’.

Further information can be found in the *Financial Guides*.

Unpaid Battels

If for any reason you are unable to pay your battels in full by the due date you must contact the Student Finance Officer **before** the payment is due. More often than not the College can be understanding in such cases and arrangements can usually be made to accommodate delayed payments. However, failure to contact the Student Finance Officer to make such arrangements is taken as implying unwillingness, rather than an inability to pay.

Cases of non-payment resulting from genuine hardship or welfare matters will be dealt with on an individual basis and may be referred on to the Dean for Welfare.

If payment or explanation is not received by the due date a reminder statement will be sent to the student.

If you are in College-provided accommodation, the College will charge interest on the amount outstanding if the rent has not been paid within 14 days of the payment date. Interest will be charged at 3% per annum above the Bank of England base rate in line with clause 1.11 in the

tenancy agreement. Once the debt is overdue by 21 days or more the College may terminate the tenancy in line with clause 4.2 of the tenancy agreement.

Students with outstanding debts owed to the College cannot expect assistance from the College in dealing with third parties (e.g. providing references for landlords and banks etc).

The College advises finalists to pay their battels promptly in their final term as debts of over £100 will continue to be chased throughout the term.

The College may pursue any outstanding debts through our debt collection agency and the Small Claims Court.

If a student has to intermit or temporarily withdraw from their course they must clear all debts to the College before they leave.

It is College policy to utilise a credit (refund) due to continuing students against their following term's battels. Finalists should ensure that the Finance Office are provided with their bank details to enable the prompt payment of battels refunds. Any refunds not claimed will expire six months after leaving the College.

Unpaid Battels and the accommodation ballot

Students with rental charges outstanding at the time of the accommodation ballot, and who have not agreed payment arrangements with the Student Finance Officer will be ineligible to enter the ballot and apply for College accommodation. This policy is in place to encourage students in financial difficulty to engage constructively with the Student Finance Officer. Students who have been allocated accommodation for the following year and fail to pay any terms battels between the date of the ballot and the start of term in which they are due to occupy their room will lose their room allocation.

Undertaking paid work for the College

Each year some St Peter's students undertake work for the College for which they are paid, e.g. in the Student Bar, in the Development Office working on fundraising projects, in the College Library, or on behalf of the Academic Office (normally invigilating examinations – available to graduate students only or working during the Undergraduate admissions period).

Prior to undertaking such work, you will be asked to complete a Human Resources form and a HM Revenue & Customs form, and provide the College with proof of your right to work in the UK.

You will also need to provide a valid UK National Insurance number. If you do not have a National Insurance number details of how to apply and further information can be found at <http://www.hmrc.gov.uk/ni/intro/number.htm> Those undertaking work for the College will be issued with a casual contract which covers the basic but essential terms and conditions for that employment. Any contractual queries should be directed to the College's HR Manager.

If a student undertakes work for the College and they have outstanding battels, this payment may be allocated against the debt to the College.

Health, Well-being and Welfare

Provision for students with disabilities

The Dean for Welfare is the College Disability Lead and is also available for advice and support on issues related to disability.

The College undertakes frequent reviews of the facilities it offers students with disabilities, and continues to introduce measures to adapt and improve access and its services. The Dean for Welfare, Domestic Bursar or Accommodation Manager will be pleased to discuss any potential requirements relating to accommodation or facilities.

Students with disability-related study needs should consult the College Registrar, who is the College Disability Coordinator) and/or get in touch directly with the University's Disability Advisory Service. The advisors with particular responsibility for St Peter's students are Pauline Graham (pauline.graham@admin.ox.ac.uk) and Teena Bowes (teena.bowes@spc.ox.ac.uk).

Health, Well-being and Welfare support within the College

The Dean for Welfare

The College Welfare Team is led by the Dean for Welfare, Eleanor Tingle. The Welfare Team offers confidential advice and support on personal issues and anything impacting students' well-being or ability to study.

As well as onsite support, the welfare team links with external support agencies and can assist in obtaining appointments as well as signposting to further support.

Eleanor is available Monday – Friday during working hours. You may contact her via email at any time to arrange an appointment or seek support. Onsite and online / phone support is available depending on student preference.

The Welfare Officers

Two Welfare Officers live onsite. They are available in the case of emergency at night during term time. They are also available to speak to students at other times by appointment.

Further information, including phone numbers can be found on the College website at www.spc.ox.ac.uk/college-life/welfare.

The College Nurse

The College Nurse is available for a couple of hours every week day during Weeks 0 to 9 of each term.

Daily surgery times are listed on the College website and posted outside Staircase Four, Room 3. These are drop-in sessions, but appointment can be made and remote support is also available by arrangement.

It is important that, at the start of their course, all students inform the College Nurse and the Dean for Welfare (in strict confidence) of any medical condition.

The Chaplain

The Chaplain is available to talk with any student. She is normally in College every Thursday and Friday. The Chaplain is able to put students in touch with chaplains of specific faith communities (such as the Jewish, Muslim or Hindu chaplains); she can also give details of various Christian groups which have social and mentoring programmes.

45. Students who are facing criminal prosecution must inform the Master and the Dean.

The Media

46. (i) Students are reminded that injudicious dealings with the national, local and student press and media can result in libel action and may be subject to disciplinary action by the College.
- (ii) Students are similarly reminded that libel action can arise from postings on social media, including Facebook, Twitter and any other online platform.

Enforcement of Regulations

47. The enforcement of College regulations is the responsibility of the Master, the Dean and the Junior Dean(s). Infraction of the regulations which appear to be relatively minor are dealt with as set out below. Relatively minor infractions are those for which the range of penalties set out in 48(ii) are of the appropriate order of magnitude.
48. (i) The Dean may as necessary issue a Decanal summons to a formal meeting at which attendance is compulsory. Summons is by email and attendance must be confirmed by return.
- (ii) The Dean is authorised to levy a fine of up to a maximum of £150 per offence on individual students for infringements of College regulations, to require the student to pay for the reasonable costs of repair to College property, to impose 'community service' punishments and to ban individual students from College facilities and amenities. The Dean's decision will be confirmed in writing. If the student wishes to contest the Dean's action, they must write to the Dean within five working days of the imposition of the penalty.
- (iii) Where in the opinion of the Junior Dean an offence justifies the imposition of a penalty, the Junior Dean shall recommend an appropriate penalty to the Dean, informing the student concerned of the nature of the alleged offence and the recommendation. Should the student wish to contest the Junior Dean's recommendation, the student should write to the Dean. The Dean will normally then summon the student to a formal meeting at which the case will be discussed prior to the imposition of any punishment, which will be confirmed in writing.
- (v) Penalties in excess of those set on in (ii) above may not be imposed by the Dean.
49. (i) Fines must be paid at the Finance Office within three working days of their imposition whether or not an appeal is lodged. Fines of £50 or less may be paid either in cash or by debit card. Fines greater than £50 must be paid by debit card.

- (i) A failure to pay fines promptly and in full is an offence rendering the debtor liable to an additional fine of an amount to be determined by the Dean.
- (ii) Fines imposed on individual students must be paid by the person(s) on whom they are imposed, and not collectively on their behalf by any group, club or society.

Fines collected are contributed to the College's Hardship Fund from which bursaries are made to students in financial need.

- 50. The nature of any 'community service'-type punishment and any ban from using certain College facilities and amenities will be specified in a letter from the Dean. A failure to conform fully to a 'community service'-type punishment or a ban from using certain College facilities and amenities will be treated as a new offence.
- 52. If a student wishes to appeal against any decision of the Dean under paragraph 48 of these Regulations, they must write to the Master. The appeal will be handled in accordance with Section 3 of the *Non-Academic Discipline Procedure*.
- 53. In any no-fault situation affecting one or more student, each student involved will be invited to speak in person with the Dean or the Master before any ruling is made that will affect them.
- 54. Where it is necessary, in the judgement of the Dean or the Master, to establish a no-fault, non-contact agreement between two students, both students will be consulted about the specifics of the agreement and will then be expected to abide by the agreement made.

Serious Misconduct

- 55. Where it is alleged that a student is responsible for serious misconduct (including, but not limited to, assault) the matter will be dealt with according to Section 4 of the *Non-Academic Discipline Procedure*.

[Regulation 56 has been removed]

- 57. During an investigation of potential serious misconduct (where that investigation might be by the College or by the University under section 54 immediately above), the Dean or the Master may exclude the student under investigation from College premises or permit access to College premises only on stipulated conditions (including the imposition of a 'no contact agreement'). Such 'exclusion orders' and 'no contact agreements' are precautionary measures, imposed to ensure that a full and proper investigation can be carried out and/or to protect any persons who may be affected by the allegation being investigated. The measures put in place will be those that best achieve these aims whilst minimising the possible impact on the student under investigation. They are not penalties and their imposition does not indicate that the College has concluded that the student under investigation is guilty of misconduct.
